## ANNOUNCEMENTS

### Mortgage Buy Down Goal Exceeded

The "Mortgage Buy Down" fundraiser, which ends today, has received \$30,245 as of July 24<sup>th</sup>, exceeding the \$18,000 goal. Let's see if we can double our goal and reach \$36,000!

### Seeking Kitchen Committee Members

Aside from the sanctuary, the CTK Kitchen and Fellowship Hall is the heart of our Church, just as the kitchen is normally the heart of our homes. Following a long time away from most forms of fellowship, due to COVID-19, we are back to making use of these areas.

We are seeking a few members to serve on the Kitchen Committee. This Committee is tasked with kitchen maintenance, and includes scheduling volunteers for cleaning and organizing, taking inventory, and coordinating volunteers for special events like funerals.

Members of this Committee are expected to facilitate maintaining the kitchen, not necessarily staffing it. However, they are welcome to participate in both activities if they so desire. Volunteers are willing to assist with various tasks but they lack a committee to organize and provide direction. Would you be willing to be a part of this necessary Committee? We will be meeting soon to discuss timing and general kitchen items and policies.

Please contact Bonnie Jackelen, [bcjackelen@msn.com](mailto:bcjackelen@msn.com) or by phone or text at 651-246-4202. Thanks for all you do.

### YOU PICK THE HYMNS Sunday

Cast your suggestions for your favorite hymns (limit 3 per person please) Either online or in-person. A "music box" will be located in the Narthex for your votes. Our musicians will incorporate them into our worship service on August 14th.

Scan the QR code for online submissions.

### Call Committee Update

The call committee is working diligently under the supervision of the synod to find Christ the King a new pastor. The call process is extensive. We are committed to being thorough and thoughtful as we navigate this process. Our first steps are gathering information from the congregation and creating a timeline custom to CTK. The call committee will present a variety of different ways to provide feedback in the coming weeks. Watch for updates in the Trumpet, bulletin and weekly emails!
